PAT'S GOT THE CREAM

Dear Mayfair,

I am a 37-year-old man who still lives with his mum. Yes, I know how that makes me sound but, believe me, it has more than a few perks. Not only do I get all my washing, ironing, cleaning, etc, done for me, but all my meals made for me – without any of the nagging I hear my mates bemoaning their wives for. Life is actually pretty sweet. And I know you're wondering how it's possible to have an active sex life while living under your parent's roof, but that's the great bit; it means I have a lot of outdoor sex and, whenever I pull a girl, we always go back to her place, meaning I can leave as soon as it starts to get awkward! I never have to worry about trying to get rid of some random the morning after!

The other bonus about living at home with my mum still is that she is quite a sociable woman has friends of all ages – and that equals plenty of women popping in and out of the house! Of course, to most of them I am just Aggie's boy, but to others... Well, I'm a bit of a toyboy, I suppose!

Take her friend Pat, for example. She may be in her late 50s, but she's quite attractive and a right goer! She's always popping round "for a cuppa" when she knows Mum won't be in, and we invariably end up in bed together. Not that we made it to the bedroom the first time we fucked – we didn't even make it out of the kitchen!

Pat had made me jump out of my skin one Sunday morning while Mum was at church; I was sat at the kitchen table in my boxers (obviously not expecting anyone to come round at 9am!), eating my breakfast, when there was a bang at the back door. I shot up, spilling cereal all over myself, and spun around to see Pat's face pushed up against the window. Slightly annoyed, I opened the door and was in the middle of telling her that Mum was at church as it was Sunday morning, when she burst past me.

"Oh my! Look at the state of you!" She trilled, throwing her coat over a chair and grabbing a tea towel from the side. Before I knew what she was doing, she had started using the towel to rub the front of my T-shirt... And my boxer shorts!

Embarrassed, I tried to bat her away but

she was persistent, somehow managing to corner me and scrub the front of my underwear. Of course, the inevitable happened and I got an unfortunately timed boner. Pat squealed when she saw this and pounced. I swear it happened in slow motion – and yes, I did have time to stop it, but Pat is pretty fucking fit and I was suddenly really turned on, having this older woman come on to me so blatantly and unexpectedly.

Planting her lips firmly on mine, she snogged me passionately, slipping her tongue inside my mouth. It was then that I gave in and lust took over. I kissed her back, groping her big tits through her blouse and pushing my dick against her. Her hands were everywhere; grabbing my arse, feeling my chest and pulling my hair – it was horny as fuck!

**I GASPED AS SHE LICKED
MY HELMET, RUNNING
HER TONGUE ALL THE
WAY ROUND THE TIP
AND RIM...**

Then, suddenly, I felt her hands on my cock, gripping my length through the thin material of my boxers as it throbbed under her touch. I was about to start undoing her top when she grinned and knelt on the floor in front of me. She smiled as she slowly pulled my boxers over the head of my cock, which was dribbling with pre-come. Pat gently licked up the droplets and, staring intently at my straining member, slowly drew my shorts all the way down.

She licked her lips sensuously and I gulped, anticipating that those thick lips soon be wrapped around my cock. Closing my eyes, I gasped as she licked my helmet, running her tongue all the way around the tip and rim, before closing her lips around it and sucking it all the way into her warm mouth. She found a rhythm quickly, obviously well practised in the art of giving head. It felt amazing! Even more so when she traced her fingers underneath my bollocks and began tickling them and cupping them gently. Not enough women pay attention to the balls!

Not only had that thought flickered

across my mind, when she pulled my dick out of her mouth and turned her attention to my balls. She sucked my left nads gently, running the tip of her warm, wet tongue all over it. Having sucked one nut, she went to work on the other, sucking it back and forth, teasing it with her tongue, and nibbling on it gently. I was in absolute heaven!

Pat, however, had other ideas and just as I thought I might shoot my load, she abruptly stopped, telling me to fuck her. I wasn't about to argue, so, laying her back on the floor I lifted her legs up in the air and rested her ankles on my shoulders.

I felt my cock ache as I pulled her skirt up and the crotch of her knickers to one side, exposing her swollen pussy. Surprisingly, she was shaved except for a few untrimmed downy curls, which peeked out from the sides of the material; this was too much and unable to help myself, I plunged my rampant tool deep inside her sopping gash.

She pushed her crotch upwards to meet me, swallowing my cock even deeper inside her chuffhole, and letting out a loud moan as I immediately began to pound into her rhythmically. I grabbed her tit, shoving my mouth around it and nibbling her little hard nipple as I continued to fuck her, causing Pat to scream as she came, her pussy contracting around my prick. I tried desperately to keep myself from shooting my load, but despite a massive effort I couldn't hold back and, with a loud grunt, I sprayed my cream deep within her soppy cunt.

We had cleaned ourselves up and were sat at the table innocently having a cup of tea and a chat when Mum got back from church – just as we have twice a month since. There's no relationship, but it does fulfil a need in both of us. Mum would obviously be horrified if she knew about Pat... And the other five friends of hers that I'm servicing on a regular basis!

Mummy's Boy, via email

LOVE YOU LONG TIME!

Dear Mayfair,

I thought your readers might be interested in hearing about my wife and I, and our unconventional sex life. We married young, and by this time this story takes place we'd been married for eleven years, and

WELL LYALL BE DAMNED!

Dear *Mayfair*,

I was wondering if you were ever planning to feature the delicious Georgie Lyall in your magazine, so a) well done for finally getting round to it in 53.02 but b) a slap on the wrist for taking so long about it! She's one of the horniest babes in the UK at the moment, in my opinion, and I don't know what you've been playing at waiting for so long before getting her in *Mayfair*, which is surely the magazine to which she's most suited thanks to her natural curves and stunning looks. Just one question I'd like to put to her – if she's from Scotland, how come she's got a shamrock tattoo? I've got a bit of Irish blood in me myself, so I wonder if we've got that in common. And if not, perhaps she'd like some...?

Martin, Cheshire.

Well first off, yes – we should have got Georgie in sooner, so hands up to that one! As for the shamrock, we've asked the girl herself and it turns out that yes, while she's Scottish alright, her family originally hailed from Donegal – so she's already got plenty of Irish blood in her! It also means she's got two chances of her team winning the 6 Nations each year – well, OK, in reality just the one this year... The Ed.

though we loved each other dearly, our sex life seemed somewhat predictable. One night, while lying in bed, I read aloud a story from a soft-porn magazine. It recalled the arrangement that a woman had with a lover from Spain who would visit England on a regular basis, and they would have sex together with the permission of the woman's husband. This gave rise to a discussion between us as to whether or not we would enjoy this sort of arrangement. It sounded quite exciting, and at that point was just silly sex talk to

get both of us aroused, and it worked – we made love passionately inspired by the erotic story.

Later we discussed the proposition more seriously. Jill explained that she certainly couldn't watch me make love to another woman – that was out of the question. However, she didn't mind the thought that I could watch her having sex with another man – that thrilled her. We both agreed that perhaps it would revitalize our flagging sexual relationship. There would have to be rules, and if either of us didn't like what was happening, we would stop it right away.

The next thing we discussed was with whom? It had to be someone we both trusted to be discreet, and someone who my wife would be happy to have sexual intercourse with. We finally agreed that there was one candidate in particular who would be ideal: Dan. He was an old friend who Jill liked, and as a bonus he had the biggest cock I'd ever seen – though Jill was unaware of this at the time. I wanted her to feel the thrill of having something substantial and fulfilling inside her; something memorable – and, to be totally honest, having now imagined the event, I definitely wanted to witness her riding Dan's enormous shaft.

I approached Dan and he readily agreed and said he would love to make love with Jill; he admitted he'd always been very attracted to her. I confirmed to Jill that the arrangements had been made – she was thrilled. For the next week, she and I had sex every night, prompted by the thought of what she was going to do the following Friday. Though neither of us took it completely seriously until Friday got much closer. When I got home on Thursday evening, with only twenty four hours to go, she was desperate for me to make love to her again; but I refused, teasing her and explaining that the next cock to enter her gorgeous eager pussy was going to be Dan's. She was like a cat-on-a-hot-tin-roof for the next twenty four hours. Neither of us could concentrate on anything but the forthcoming sexual event. When I got home on Friday she was already 'very relaxed' having drunk half a bottle of wine to boost her confidence and ensure her courage remained steadfast.

I took her upstairs and we selected some erotic underwear for her to wear. She then sat at the mirror and perfected her hair and make-up. I knew there was no going back. It was going to happen – she was going let Dan put his enormous cock into her beautiful pussy and enjoy her body – something, until then, only I had had the privilege of doing.

When she was ready Jill lay on the bed looking extremely beautiful as she nervously waited for the appearance of her new lover. Bang on cue Dan arrived, with a

big grin on his face as eagerly he came through the front door.

I made him undress on the landing before entering the bedroom and seeing for the first time my gorgeous sexy wife ready for him. He quickly stripped off and stepped into the bedroom... and in the soft light he looked down on my attractive wife laying there like a sacrificial offering from 'sex heaven' and exclaimed out loud, "Wow!" He then continued to stare hard at this stunning vision dressed provocatively in black lacy underwear and

You know that feeling when you know you've forgotten something, but can't remember what it is? Well the Ed had that all last year, and he's only just put his finger on what it was – put the delicious Charley Atwell in *Mayfair*! Somehow or other the entire Volume 52 went past and Charley's magnificent charlies didn't feature once! Now I know, we do have an abundance of lovelies all vying to appear in the mag, but there really is no excuse for that sort of thing and the Ed's given himself quite a slap on the (oddly muscular) wrist and vowed to put things right this year – starting with these pictures!

M

stockings as she was laid out just for him. She smiled at him and then without any sign of embarrassment she looked directly at his penis; which was six to seven inches long as it hung down between his impressive balls, and was extremely fat. At this point he was still quite limp. Jill's eyes widened as her mouth opened slightly, and she took a soft intake of breath and said, "Oh... my... God."

Despite my previously hinting that Dan was well-endowed (my clumsy attempt to warn her) she was obviously unprepared for what she now saw displayed just a few inches away.

Dan leant forward and kissed her on the mouth. Unable to stop herself, and acting automatically, she put her hand forward and started to massage his expanding penis, which was soon over nine inches long and the head had swollen even larger than the remarkable girth of his substantial shaft. Her eyes were glued to it as she pushed herself up on one elbow to get closer, and used her right hand to tenderly caress his shaft up and down, exciting it even more. I thought for a moment that she was going to suck him, but that would come later.

I COULD HEAR JILL'S FRENETIC MOANS WITH EVERY PUSH INSIDE HER WET PUSSY...

He wasted no time with foreplay. He later told me he didn't want to give her a chance to change her mind; he was obviously unaware of how determined my wife was to have his enormous cock deep inside her pussy.

He climbed onto the bed, positioned himself between her inviting legs. He put the head of his penis towards her, and just touching the lips of her vagina. He worked his penis up and down her soft smooth lips to find the right spot for entry. The moment had arrived – he pushed his thick, long manhood straight inside her willing vagina. She offered no resistance because she was moist and greasy from the effects of the slippery gel I'd put inside her pussy, and his penis went effortlessly all the way up. Her head fell backwards in pleasure, and doubtless in shock too, as she felt his enormous penis stretching her. She moaned loudly as he began to push backwards and forwards. Every thrust brought a new excited moan. Nothing mattered in her world now, except his large member carrying her away on a sea of ecstasy and excitement. I knew at that very moment, she was lost and doubtless in a world where she had no other considerations whatsoever – she was in seventh heaven. Nothing could stop her from enjoying her extraordinary lover – she was having too much sensational pleasure.

At this point I was having pangs of regret; I wondered if I had done the right thing, but it was too late now; he was deep inside my wife's increasingly wet pussy, and taking her to places that she had never been to before. I also realised that his penis was going deeper than anything had ever done previously – nothing had ever reached that deep inside her body – and she was loving every inch of it.

I left the room – I didn't want to hamper their style or put them off in any way, and I didn't want to spoil their love making by halting the event with pangs of foolish jealousy. I sat in the next bedroom where I could hear Jill's frenetic moans with every push inside her wet pussy. Every now and again I would come back to the bedroom door and peek through the gap just to see what stage they were at.

He was fucking her with consistency, keeping a steady rhythm as he went in and out of her vagina; this was signified by a moan each time he went deep. This went on for nearly an hour; making her climax at least twice that I witnessed; it may have been more. He then came deep inside her pussy; or as she later described it: 'he flooded me'.

I watched as they rested for a few minutes, but continued to kiss each other enthusiastically and insatiably, and then eager for more, I heard Jill say to him, "I want to suck you."

She wasted no time in sliding down the bed and going down on him and sucking voraciously on his big cock – her head bobbing up and down as she spread her jaw wide open to accommodate his thick member. As soon as he was fully erect again Dan mounted her enthusiastically for

SECS APPEAL!

Dear Mayfair,

What a delight for sore eyes is Ms. Emma Green! Maybe she's not a match for your typical Essex blonde when it comes to secretarial skills, but I'm sure she possesses more than enough common sense and intelligence to make an exceptional pot of tea or coffee!

Still, it seems a shame to me that Emma has to resort to playing with her own 'Magnificent bod' – girls who are blessed with that much photogenic beauty should never have to pleasure themselves when there are more than enough men out here who'd happily take care of all her needs! I bet there are plenty of well-heeled entrepreneurs who'd love to set her up in return for the opportunity to do so...

Kevin, Lincoln.

a second time.

Eventually, two and half hours after he arrived, they had done the deed, and dressed – and come down to join me for a cup of tea. Amazingly, that was just the start of an arrangement that lasted for over twenty-six years! Sadly, we haven't seen Dan for eight years now after he moved away, but Jill and I still discuss the arrangement we had with her well-endowed lover and it still inspires us when we are making love (well, me mostly). All I ever got to do was watch, but because I watched so often, the images are seared on my brain – I can't forget watching my beautiful wife getting laid literally hundreds and hundreds of times.

Frank, Leics.

A full-page photograph of a woman with long, wavy brown hair, wearing white-rimmed sunglasses, an orange lace bikini top, and a matching orange thong. She is sitting on a dark wicker lounge chair with white cushions, wearing light pink high-heeled sandals. She is holding the strings of her thong with both hands. A large pink flower is visible behind her on the right. The background is a bright, out-of-focus outdoor setting.

We were all rather taken with Christi when she made her *Mayfair* debut last year, so it was only a matter of time before we asked her back... and as you can see, that time has elapsed! So what's she been doing with herself since our paths last crossed?

"Oh, I've been keeping pretty busy, I guess – modelling for a few other mags (*We don't want to know about that!* – Ed.) as well as hanging out with a few of my sexy friends! I've recently developed a passion for threesomes, and have just managed to complete the set – me and 2 guys, me and 2 girls and me and one of each!"

That's great news – for at least a couple of guys and girls out there.

John went on a first date and took her to the fair.

"What would you like to do first, Kim?" he asked.

"I want to get weighed," said his date. So they ambled over to the weight guesser.

first date, "How'd it go?"

Kim responded, "Oh, Waura, it was weally wousy."

It was a cold winter day, when an old man

He went to the boy and said, "Son, I've been here for over an hour without even a nibble. You have been here only a few minutes and have caught about half a dozen fish! How do you do it?"

The boy responded, "Roo raf roo reep ra rums rram."

"What was that?" the old man asked.

Again the boy responded, "Roo raf roo reep ra rums rram."

"Look," said the old man, "I can't understand a word you are saying."

So, the boy spit into his hand and said, "You have to keep the worms warm!"

A drunken man staggered into a church, sat down in the Confessional and said nothing. The priest is waiting and waiting and waiting.

The priest coughs to attract the man's attention, but still the man says nothing.

The priest then knocks on the wall in a final attempt to get the man to speak.

Finally the drunk replies, "No use knockin', pal. There's no paper."

A man playing on a new golf course got confused as to what hole he was on. He saw a lady playing ahead of him. He walked up to her and asked if she knew what hole he was playing. She replied, "I'm on the 7th hole, and you're a hole behind me, so you must be on the 6th hole."

He thanked her and went back to his golf.

On the back nine, the same thing happened, and he approached the lady again with the same request. She said, "I'm on the 14th, you are a hole behind me, so you must be on the 13th."

Once again he thanked her.

He finished his round and went into

the clubhouse and saw the lady sitting at the end of the bar. He went up to her and said, "Let me buy you a drink to show my appreciation for your help."

He started a conversation and asked her what kind of work she did. She said she was in sales, and he said he was in sales also. He asked what she sold.

She replied, "If I told you, you would only laugh."

"No, I wouldn't," he said.

She said, "I sell tampons."

With that he burst out laughing.

She said, "See, I knew you would laugh."

"That's not what I'm laughing at," he replied. "I sell haemorrhoid cream, so I'm STILL one hole behind you!"

"How romantic Arthur - Linda's boyfriend's proposing!"

He guessed 9 stone. She got on the scale; it read 8 stone 10 pounds, so she won a prize.

Next, the couple went on the big wheel. When the ride was over, John again asked Kim what she would like to do.

"I want to get weighed," she said.

So back to the weight guesser they went. Since they had been there before, he guessed her correct weight this time, and John lost his pound.

The couple walked around the fair and again he asked where to next.

"I want to get weighed!" she responded.

By this time, John figured she was really weird and took her home early, dropping her off with nothing but a handshake.

Her flatmate, Laura, asked her about the

He was there for an hour without any luck when a young boy walked out onto the ice, cut a hole in the ice not too far from the old man and dropped in his fishing line. It only took about a minute and the boy pulled up a massive fish.

The old man couldn't believe it, but figured it was just luck. But the boy dropped in his line and again within just a few minutes pulled in another one.

This went on and on until finally the old man couldn't take it any more since he hadn't caught a thing the whole time he'd been there.

Been wondering what several of the world's finest porners have been getting up to of late? Well if you watch these three toppermost scud-flicks you'll get some idea...

Wicked Pictures

CORRUPTED BEAUTY

CAST: Ella Hughes, Misha Cross, Stella Cox, Henessy, Samantha Bentley.

You'll need to pay attention at the start of this one, because while we open with Stella Cox clad in red latex fantasising about what being with a woman might be like (erm, I'm sure she knows!), we mysteriously segue into a scene in which it's Misha and Ella in the red rubber – and they're busy finding out what being with a woman is like, playing with each other's stiff nips before a gimpy stud arrives in an outfit that only has holes for his mouth and his knob. Thankfully that's all the girls need, and the mystery man gets to plunder both their juicy pussies, with plenty of pussy to mouth fun along the way before he splashes off over Ella's snizz and above Misha's face. Mmm – a strong opener, and given that Henessy's next there's no drop-off in the tempo as Ryan Ryder fills his Scottish boots courtesy of her neatly-trimmed snizz. After that its time

for Stella to fulfil her fantasy, thanks to Sam Bentley – and they both clearly relish the encounter as they poke fingers, tongues and toys everywhere before finishing themselves off with a couple of magic wands. Ella and Misha both get a good knobbing in the final two scenes, with Misha letting stud George have a crack at her jacksie for good measure. **Available from your local sex shop.**

FEMALE SEX THERAPIST

CAST: Kristy Black, Lovita Fate, Karol Lilien, Daphne Klyde, Brittany Bardot.

This one kicks off with psychotherapist 'Dr Anderson' who has, apparently, been encouraging her clients to achieve their potential by having lots of sex. Well, no wonder her client book is bulging – and luckily for us, it turns out that a lot of her clients are top notch porno flampers! Brittany needs some advice after a divorce – and her therapist tells her to get on with fucking her new boyfriend, so that's what she does, getting a good porking fore and aft before getting a goodly helping of goo. From there on in her clients need very little encouragement to get it on with all and sundry, including each other. Kristy Black's very cute, and her vanilla shafting is all well and good, but it's when Daphne and Karol share a cock that things crank up a gear, with a good bit of P2M and A2M along the way. Tasty blonde Lovita gets a creampie shafting in the shrink's office, before Brittany returns to prove she's a fast learner by getting in the middle of a heartfelt DP. What better to put a divorce behind you, eh?

Wicked Pictures

ASIAN CONNECTION 2

CAST: Breanne Sparks, Ember Snow, Saya Song, Jade Luv, Kimberley Chai.

Cute Breanne is clearly in the mood for some lovin' – after a bit of posing around the house she settles back in the sofa and starts to rub one out. Well, she's in luck, because she's barely started before in strolls Mr Pete. They exchange grins and he gets stuck in, unlacing her high heels and slobbering over her feet before concentrating on the are directly between her two big toes. He ends up wedging four fingers up there before whipping his knob out and giving her a chance to demonstrate her oral skills,

which turn out to be admirable. The coupling that follows is never less than pleasing on the eye, and serves as a solid opener to what amounts to a very nicely shot flick all round. Ember

★★★★☆

and Jay give us a solid tatt-free, hairy pussied scene next, with some great reverse cowgirl along the way before her shapely boobs get a basting in hairy monk. Saya's another one with fur downstairs, and she sucks a mean cock, too, slathering all over Seth Gamble's pole like a woman possessed. Kimberley, meanwhile, sports a blue barnet, plenty of tattoos and a very furry foo-foo, and is none the worse for any of those things as she rampantly rides her fella, before Jade and Tommy Gunn close out in a nice romantic pairing. Classy stuff.

Ok, so it would probably be divisive (not to mention more than a bit futile!) to try and decide who our favourite twin out of Preeti and Priya Young is, but they're both definitely in our top two! And besides, being a twin probably brings its own problems, without people comparing you to each other all the time...

"Not for me – I love being a twin!" insists Preeti. "OK, it was a bit of an arse when we were small and teachers kept mixing us up, but now I love having someone I'm so close to – who wouldn't?!"

Fair enough. But if you ever fancy getting extra close to someone else, give me a call!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm a single woman in my late-30s. I work as a secretary at a large firm in a massive office block in town. At lunchtime most members of staff go to the canteen in the basement. The subsidised

and wanted some fresh air so I thought I'd take a stroll round the nearby park.

It wasn't a particularly warm day but at least it wasn't raining. After walking around the pond I sat on one of the park benches

food isn't that bad and there's also a small recreation area with a pool table. I usually go there too but I'd had a busy morning

and lit up a fag. After about five minutes a young guy in a tracksuit that I'd seen jogging around the pond earlier came and

sat next to me.

He immediately caught my eye because he was so good looking, in his early twenties and obviously very fit. When he saw me looking at him he smiled and initiated a conversation.

We were chatting away and the subject came round to partners. I

got a bit embarrassed because I've been divorced for a few years now and let it slip that I hadn't had sex for ages.

"Maybe I can help you there!" the young guy suggested.

I was astonished and in usual circumstances would have been offended, but he was so cute.

"What do you mean?"

"Well, you're a good looking woman, I'm a man - we both have needs."

This got me all flustered. I was half embarrassed and half excited by his outrageous suggestion. Throwing caution to the wind I said, "do you want to meet

HE HELD THE BACK OF MY HEAD AND PULLED ME CLOSER SO THAT I TOOK HIM TO THE BACK OF MY THROAT

later for a drink then?"

"Why wait until later?" He replied. "I want you now!"

With that he grasped his prick through his tracksuit trousers and nodded towards the clump of trees behind us. We stood up together and walked over there while I had a good look round to make sure no one was watching us.

Content we wouldn't be disturbed, the guy stopped and pulled down his tracksuit trousers to reveal a stonking hard on. His cock was large in both length and girth and my mouth watered at the thought of taking it inside me. But first I dropped to my knees and took it in my mouth.

I hadn't sucked a cock for at least four years but it's not something you forget how to do and judging by the guy's response he was enjoying it. He held the back of my head and pulled me closer so that I took him to the back of my throat. Then he started guiding my head back and forth, getting faster and faster, feeding his length in and out my mouth with great speed. Just as I thought he was about to come, he pulled out his prick and told me to pull my skirt up.

I did as he said, stood up and leaning back against a tree I hitched up my skirt to show off my legs. The guy ran his hand over the front of my red silk knickers and then pulled them down around my ankles. As I stepped out of them, he eagerly began

to finger me. My hole was wet and the squelching sounds became louder as he frigged me quicker.

I started to groan as my pussy revelled in the attention. Although I often pleased myself, you can't beat the male touch and I was already getting quite worked up by the time the man lifted me up on to his cock.

THE GUY RAN HIS HAND OVER THE FRONT OF MY RED SILK KNICKERS AND THEN PULLED THEM DOWN AROUND MY ANKLES.

His helmet pressed against the entrance to my pussy and as he lowered me down I felt every inch burrow deep inside me. I let out one huge gasp when I realised I had taken him to the hilt. I could really feel it inside me and although it was awkward for me

propped against a tree I began to ride him.

I wrapped my arms and legs tightly around him as he hammered away at my grateful snatch. We must have been fucking hard for about ten minutes until his body suddenly froze and I felt a warm sensation fill my pussy.

His spunk oozed out of me as I was lifted off his softening prick and lowered to the floor. We looked at each other with beaming smiles on our faces as we both got our breath back and then straightened our clothes up.

I stepped out of the trees, looking around to see if everyone was about and then thought about going back to work. It didn't take long for me to decide to phone in sick for the afternoon. After our second fuck I finally found out his name – Steve – and we've been having regular lunchtime sessions ever since. I don't know if it'll turn into a serious relationship, but something inside me hope it won't – I'm having way too much fun as it is!

“I WRAPPED MY ARMS AND LEGS AROUND HIM TIGHTLY AS HE HAMMERED AWAY.”

Since leaving university, I've had a number of jobs to earn a living, while striving to bag myself a good acting role. I've landed a few parts on the West End stage, but I'm still waiting for my big break. For the last six months, I've been working in a trendy Hoxton bookshop, which I actually love. There's always interesting people hanging out in the tiny coffee bar and the shop's owner, Maggie, is always putting on exhibitions and promotions.

Last month, we had an adults-only launch party of sorts to promote the release of an arty coffee-table book, which contained a selection of photographs of models in shiny black rubber and racy poses. As well as being a good laugh and something different, it also gave me a chance to earn some overtime, and when Maggie asked some of us staff to put on fetishy outfits just to add to the atmosphere, I was well up for it. I got to wear this PVC catsuit and high heels, and, as I waved my leather riding crop around, I admit I got a bit carried away with it all. I just felt like a total sex goddess!

Throughout the evening, I kept catching a really cute guy staring at me. I'd have usually thought he was out of my league and become extremely shy and embarrassed, but tonight I was filled with a huge amount of self-belief – I knew I looked fucking good!

I still surprised myself as I confidently strode up to him at the end of the night and exclaimed, “Hi, we haven't been introduced! I'm Nicole!” then went to kiss his cheek, pulling him in close enough for me to whisper to him, “Fancy coming back to mine for a fuck?” into his ear.

He grinned and replied, "I'd love to! It's Adam, by the way... In case you're interested!"

I laughed and told him I'd be straight back. Grabbing my bag from the staff room

than ready to rip our clothes off and get stuck in to each other.

As soon as my flat door closed behind us – and I mean the very moment it slammed – Adam had his cock out and was

motioning for me to suck it. I don't need to be asked twice, especially with such a perfect example of manhood displayed right in front of me, so I dropped to my knees and

wrapped my lips around his length. He gasped as I took him straight back into my throat. I've been complimented on my blow-jobs more than once, so I wasn't

as sexily as I could possibly do so. If you've ever worn latex, you'll know how hard it is to get out of, so looking anything other than an awkward Bambi is almost

"I SOON FOUND A RHYTHM AND SUCKED HIS WHOLE TOOL FROM TOP TO BOTTOM, IN AND OUT OF MY SOFT MOUTH."

I PUT HIM OUT OF HIS MISERY, STRIPPING OFF AND LETTING HIM POUND MY PUSSY AS HARD AND FAST AS HE LIKED.

and saying bye to my co-workers, I found Adam again and we left together, hailing a cab to go to my place.

The taxi ride was scorching! We were all

impossible!

Adam obviously knew that I wasn't a dominatrix, that I was just dressing the part

over each other, kissing, sucking tongues, groping, rubbing as much as we could get

"I STRADDLED HIS WASTE AND SLOWLY LOWERED MYSELF DOWN ONTO HIS COCK..."

surprised as I started getting into it when he began whispering, "Oh my God, oh my God," over and over again.

I soon found a rhythm and sucked his whole tool from top to bottom, in and out of my soft mouth, occasionally adding my hand to the mix, wanking him to the same rhythm as my mouth, and sometimes my tongue. He gasped and moaned, grabbing my head to try to take control but whenever he did, I stopped. He quickly got the message that I wanted to be in control of the situation.

Eventually, we made our way to the bedroom and I peeled off the latex catsuit

for the promo although, a bit later into the night, I did chain him up to my bed with some fluffy handcuffs I'd nicked from one of the shop displays.

I'd never had a bloke totally helpless before, at my mercy. And, as Adam lay there, wrists shackled to my headboard, I realized how incredibly sexy both he and the situation was. I straddled his waist and slowly lowered myself down

away with in the back of a cab! By the time we reached my flat, we were both more

onto his cock and pinched his nipples. It was such a turn on that I rode him with wild abandon, feeling the sexiest I ever remember feeling. I came hard and multiple times that night, Adam turning out to be an amazing fuck!

Afterwards he told me how hard he'd felt himself coming, able to let go totally because I was in control. So, the next morning, when he asked me for a date, saying he wondered would I be up for going to an actual fetish club, I said yes. So, the following week, after quite a lot of research, we attended our first proper fetish night. We were actually both quite nervous, but we soon got into it, watching a mistress spank a naked 'slave'. Then she spotted me with my leather riding crop, and invited me to have a go. Hiding how terrified I was, I just went for it, laying little strokes on his arse cheeks –

making him count them out and thank me for each one – and tickling his naked balls with the end of my whip. I honestly don't know what came over me! I did thoroughly enjoy the experience, however!

When I got back to Adam, he had a huge hard-on. But, when he begged me for a fuck, I really began to get into my new-found character and told him he'd have to wait. Instead I had him get naked and lie down on this long leather-topped bench in the play area so I could squat over his face, and gently swat at his cock and balls with my whip, as he licked me to orgasm. It was divine!

Back home, I put him out of his misery, stripping off and letting him pound my pussy as hard and fast as he liked, until he was coming buckets into it. We're still together and are still having fun going to kinky clubs. Although we're still new to it, most people on the scene are really

“I HAD HIM GET NAKED AND LIE DOWN ON A LEATHER-TOPPED BENCH SO I COULD SQUAT OVER HIS FACE.”

friendly, and it turns out that we're both natural exhibitionists in that kind of place. It still tickles me that one bit of overtime at work has completely changed my sexual tastes, opened up a whole new world to me – and bagged me a gorgeous boyfriend to boot, all because of a book launch I went to for a bit of overtime!

Well here's another sizzling hot babe who hasn't graced the pages of *Mayfair* for far, far too long, so we're sure you'll all be happy to extend a trembling hand of welcome back to the stunning Kayden Kross! So what has she been up to since our paths last crossed?

"Oh, all sorts of things! I don't really know where to start, but I'm a lot more grown-up now, although I like to think I've kept in shape pretty well..."

Hmm, talk about understatement – you still look utterly sensational from head to toe!

That's quite enough of 2018 without hooking up with the ever glorious Natalia Forrest, don't you think? Quite, and from the look of those super-perky nips, Natalia herself looks quite thrilled to be back with us...

"Ah, yes – they do rather give the game away, don't they? Being in a shoot always gets me feeling nice and horny, and sometimes it becomes a bit obvious! I actually think they've become more responsive over time – God knows what they'll be like in another five years or so!"

Well we look forward to finding out!

Age: 28 Vital Stats: 34B-23-33 5'8"
Photographer: DDF

Now that the weather's perked up we thought we ought to go for a little bit of exotica, and they don't come much more exotic than the stunning Luna Corazon here, with her magnificent kinky Afro and a body so hot it needs to be kept away from parched landscaped for fear of starting a forest fire! She was clearly pretty intent on pulling out all the stops for her *Mayfair* debut, as clearly shown by those stiff nips. To be honest it hardly seems fair that someone can have that much fun doing a day's work, but we'll let her off this time...

BEYBLADE

When we asked the lovely Lena if she fancied a little tinkle on the ivories, we got a bit panicky when she climbed up and pulled her panties to one side! Thankfully she didn't have any plans to relieve herself in that way, although watching as she set about rubbing her nubbin atop that muff-tatstic fanny it was pretty clear that there was a certain amount of self-relief going on! You certainly wouldn't have needed to be a keen music-lover to have located her 'middle C' – apart from the odd nipple tweak she hardly left it alone at all! As piano recitals go, this has got to be one of the best ever!

EDWINA

PHOTOGRAPHED BY BASIL CRAWFORD SMITH

Twenty-year old Edwina Broadwood accepts that her name has been hi-jacked. Everyone thinks of a certain lady politician who wound up with egg on her face last year. But Ms Broadwood plans to change all that. Whilst she doubts that her 36-24-36 figure will hit the front pages, it could well make Page Three, as Edwina is becoming a successful model. Does she regret being named after her great grandfather Edwin, though? 'Oh no,' said the Liverpool lass. 'At least people remember me, though I might change it if I ever become famous.'

Until Edwina becomes the first lady of modelling, she spends much of her time training her dogs, apparently named Maggie and Neil. - 'Politics follows me everywhere - or at least the dogs do,' she laughs. 'They are lurchers bred for racing, though they are getting a bit long in the tooth for that now. However, they are very affectionate and get on really well - unlike their namesake.' So well, in fact she hopes they'll breed track champions. 'My Dad says that with a combination like that, at least we

MAYFAIR Classic

Rather like Adolf, Judas and, er, Caligula, Edwina's one of those names that's gone a bit out of fashion these days, isn't it? Why do you suppose that is? Despite her famous egg gaffe Edwina Curry wasn't that bad, was she? Maybe it was never really in fashion in the first place, and the ex-Tory minister and this fantastically boobed model were the only two people to be given the name! To be honest, though, we can't help thinking John Major picked the wrong one to have a fling with!

can be certain they won't swing too far to the left or right on the bends,' she jokes. Surely this must be the end of the political influences on Edwina's life? Not quite. During the salmonella saga last year, Edwina got so fed-up with the jokes she decided to play along, and now she collects egg cups. 'My mum kept the Noddy one I had when I was a little girl, and I carried on from there.' She now has 50 in a case labelled 'Egg-wina's Cup Collection'.

When she's out of the house, Edwina is none too careful about her diet. She loves meals out, including fish and chips, and admits to a fondness for pints of strong lager. 'Liverpool is great for small unpretentious pubs with loads of character. You meet some incredible people in them. It's true what they say about everyone here being a natural comedian,' she says. 'I could never go out with a guy from anywhere else!' Edwina is a bit of a joker herself. 'I love dry put-downs,' she claims, 'especially

if a man is getting over-amorous or reckons he's dead sexy. Only the other day some wally in one of those paisley shirts tried it on with me. I said "Is that shirt real silk? I thought so, it's still got a worm in it." He went purple!' Some men do succeed, especially if they offer her a meal out in an expensive restaurant. 'Oh, that's definitely the way to my heart,' she says, and what's her favourite food for a meal out? Edwina grinned. 'Curry, of course'.
